A minimum of 20% of the stake money shall be donated to and in accordance with the objects of the Society. Any unclaimed prizes after 12 months will be donated in full to the Society. All efforts will be made to contact winners of unclaimed prizes within the 12 months period. The Super Draw takes place on a weekly basis and winners are selected by use of a mechanical random selection process. In the unlikely event of a technical system failure preventing the Draw taking place, then that Draw will take place at the earliest opportunity. Details of the winners will be publicised via our website and the local media, this is in addition to our usual notification process.

If you have any complaints or disputes regarding the Super Draw Lotto please contact the Promotions Department on 0114 253 7200.

Unlike the National Lottery all the winners are notified, so there is no need to worry if you do not check the Super Draw Lotto winning numbers, and receive their prize by post to their home address.
