Ethos	<p>Please remember that the CVL ethos is about like-minded people coming together to provide the first step of competitive basketball in a welcoming and positive environment. Coaches should aim to match players' abilities wherever possible with NO blow out games! All the organisers, match officials and coaches are all volunteers so please respect each other but of course feedback is always welcome directly to Loraine on the day 😊 Anyone not complying with the above will not be allowed to enter any further CVLs 😞</p> <p><b>The scheduling will be done after registration and we will endeavour to offer as many short games as possible for each team throughout the morning (usually 10 mins each game).</b></p>

Further questions please do not hesitate to contact Loraine 😊
